

STARGATE Workshop 4

Multi-source and multi-scale phenomic data integration and organization in information systems

Day 1 | September 8th, 2022
Venue: INRAE Montpellier

Schedule

09:00-09:30	Registration
09:30-10:00	Challenges of data management in plant phenomics
10:00-10:15	Coffee break
10:15-12:00	Session 1: Introduction and declaration of Scientific context, metadata
12:00-14:00	Lunch
14:00-17:00	Session 2: Scientific context: Scientific objects, factors, events
15:30-15:45	Coffee break
17:00-17:30	Visit of M3P phenotyping facilities
19h30	Social dinner

Day 2 | September 9th, 2022
Venue: INRAE Montpellier

09:00-10:30	Session 3: Devices, Provenance, Data, Data visualisation	14:00-15:00	Session 5: Data exploitation: Web Services et Client R / Python
10:00-10:15	Coffee break	15:00-15:30	Conclusions and discussions
10:15-12:00	Session 4: Evolution and management of ontologies		
12:00-14:00	Lunch		

This Project received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 952330.
